To My Fellow TSPRA Barrel Racers:

I just want to say "Thank You" for the great gift Debbie and I received at the Finals for being Directors. All the items were something we will certainly use and enjoy. Working for a great group of ladies like yourselves is indeed a pleasure.

A big shout out to all who had a part in making the Team Barrel Race a reality. I have never witnessed more excitement and enthusiasm among a group. You had to be behind the scene to see the smiles and cheers. A personal thanks to Debbie Pundt, Connie Sanders, Christine Filer, Troy and Debbie Starr, the auctioneer and spotters. It was fun watching the team ropers, calf ropers and barrel racers sell and hopefully made a little extra money for the Association.

Thank you again!  
Happy Trails

My first year as your Association Secretary has been a very rewarding year. I got the chance to meet so many of you one on one and finally able to put a name to a face. I learned a lot and know I still have lots to learn. I appreciate more than you know your patience with me and thank you all for your support of me. To Debbie Pundt for allowing me to continually bug her with questions and guidance. To all the volunteers who set up the Awards Banquet tables and awards; who stayed and helped clean up after the Banquet – my heartfelt THANK YOU! To the Awards Committee for all the amazing Year End Awards – You rocked it!

I look forward to 2020 and welcome any and all input and feedback.

Christine Filer
